NOMINATION PAPER

The candidate's nomination paper, affidavit of qualification, and campaign finance laws statement are combined in one document.

The nomination paper must state the candidate's actual residence address or description of location, mailing address, political party, the office and district or precinct, the **EXACT** manner in which the candidate's name is to be printed on the official ballot, and the date of the Primary and General Elections. A candidate at the Primary Election for a political party must be a qualified elector of the political party. [ARS § 16-311(A), (B)].

At the time of filing, a candidate for public office must be a qualified elector and must reside in the county, district or precinct that the candidate proposes to represent. A candidate must file an affidavit of qualification (Included on the Nomination Paper) that includes facts sufficient to show that, other than the residency requirement, the candidate will be qualified at the time of election to hold the office sought and has no final, outstanding judgments of more than an aggregate of \$1,000 that arose from failure to comply with or enforcement of ARS Title 16, Chapter 6. [Ariz. Const., Art. VII, § 15; ARS § 16-311(A)].

Candidates are prohibited from filing documents to run for more than one office at the same election if they cannot serve in both positions. [ARS § 38-296.01].

A candidate's name, as it appears on the official ballot, is limited to the candidate's surname (last name) and given name or names (first name). Abbreviated versions of names, initials, or nicknames are permissible. Quotation marks are permitted. A nickname may not suggest reference to professional, fraternal, religious or military titles. The candidate's printed name on the ballot will indicate the candidate's last name first. [ARS § 16-311(G)].

Also included on the Nomination Paper is the Campaign Finance Laws Statement. You must sign the statement that you have read all applicable laws relating to campaign financing and reporting.

After the close of the filing period, a candidate will be sent a proof to verify that their name will be listed on the ballot the same way it was listed on the nomination paper. This is **NOT** an opportunity to change the way your name will be on the ballot, only to correct any errors Election Services may have made.

NOMINATION PETITIONS

All candidates must file nomination petitions, which contain signatures of qualified electors for the office being sought. This form is prescribed by statute. Nomination petitions may be circulated at any time during the election cycle. Signature requirements for candidates are based on the number of registered voters on January 2, 2020. You have been furnished with one nomination petition; this may be reproduced as required for your signatures. **REMEMBER, IT MUST BE REPRODUCED EXACTLY, FRONT AND BACK.** [ARS § 16-322(B)].

Signature requirements will be posted on the Election Services website, <http://yumacountyaz.gov/elections> before the end of **January 2020**.

The candidate must file at least the minimum number of signatures required for the office sought and no more than the maximum number. If there are too few, Election Services cannot accept the nomination papers. [ARS § 16-322(B)].

The nomination petition caption must be in substantially the same language as the one provided in your packet. A photograph of the candidate may appear on the nomination petition. The signature portion, circulator instructions, and statement must be in the form provided by law. [ARS §§ 16-314, 16-315].

The nomination petition of a person seeking to fill an unexpired vacant term for any public office shall designate the expiration date of the term following the name of the office being sought. [ARS § 16-314D].

⇒ **Signers -**

Each signer of a nomination petition shall be a registered voter in the electoral district the office the candidate is seeking at the time of signing the petition. [ARS § 16-321(B) & 16-322].

Individuals who sign partisan nomination petitions must be qualified to vote for the candidate. Individuals who are eligible to vote for the candidate include voters who are registered as:

- Members of the candidate's political party
- Independents
- No party preference
- Members of political parties that are not qualified for representation on the ballot.

Individuals who sign non-partisan nomination petitions must be qualified to vote for the candidate. [ARS § 16-322]. Individuals who are eligible to vote for the candidate include voters who:

- reside in the county, district or precinct that the candidate proposes to represent

A person may sign a nomination petition for only one candidate for each office unless there is more than one vacancy to be filled. For example, if five candidates are running for County Supervisor in District 2, an elector can only sign a petition for one candidate, as there is only one seat to be filled.

A person may sign a nomination petition for Independent or Nomination Other Than by the Primary Election candidates. The petition may be signed by any qualified elector --- regardless of political party affiliation --- who has not signed a nomination petition of another candidate for the office to be voted for at the Primary or General Election.

⇒ **Circulators -**

All petitions must be signed by the person that circulated that petition. A petition that does not have the circulator's name signed on the back is invalid, and those signatures will not count. A circulator's name must be typed or printed under such person's signature and include the circulator's residence address, or, if no street address, a description of residence location. The elector must sign the petition, print their name, and give their residence address or describe the residence location, and the date the petition was signed. [ARS § 16-315(B)].

A petition circulator is not required to be a resident of this state but otherwise must be qualified to register to vote in this state. Non-resident circulators must register with the Secretary of State and indicate an address at which they agree to accept service of process as well as the company they are working for. Circulators are not required to be a member of the candidate's political party or a voter in the district the candidate proposes to represent.

CAMPAIGN FINANCE

IMPORTANT CAMPAIGN FINANCE REQUIREMENTS

Once a candidate or committee receives or expends more than \$1,200 they must file a Statement of Organization **within 10 DAYS** after receiving or expending money over the \$1,200 limit and are then required to complete campaign finance reports.

State law also provides for an exemption from the campaign finance laws for a candidate who does not receive contributions or make expenditures totaling more than \$1,200 in connection with an election. State statutes do not limit the dollar amount a candidate can spend during the campaign. Campaign contributions are, however, limited pursuant to state law.

NOTE: For a person who is registering for the **first time** he/she must provide proof of citizenship with their voter registration form. A list of documentary proof of citizenship is on the back of the voter registration form. If proof of citizenship is not included on or with a person's voter registration form it is still accepted. However, they will only be eligible to receive a ballot with federal races on it, not state or local races.

A person should re-register if their residential address has changed, if they wish to change their party affiliation or if their name has changed.

If the registrant is unable to complete a registration form, another person may assist in completing the form. The person assisting must also sign the registration form.

REGISTRATION DEADLINES

We require voter registration forms returned within five days. The voter registration deadlines are:

- Primary Election Deadline: July 6, 2020

UNIFORMED AND OVERSEAS CITIZENS

Uniformed and overseas citizen are covered by the Uniformed and Overseas Citizens Absentee Voting Act of 1986. (UOCAVA). [P.L. 99-410; 52 U.S.C. 201310]. UOCAVA citizens are United States citizens who are Uniformed Service members, their families, and citizens residing outside of the United States.

A UOCAVA citizen may register up to 7:00 p.m. on Election Day by completing a Federal Postcard Application (FPCA). The FPCA allows a UOCAVA voter to, not only register, but to request an early ballot. FPCA forms are available at the County Recorder's office and the Recorder's [website](#).

EARLY VOTING

Any registered voter may vote early in Arizona elections. Arizona does not require justification for voting early. With the exception of UOCAVA voters, early voting begins 27 days before an election. There are different ways to vote early.

On-Site Early Voting. On-site early voting is available at the Recorder's office beginning the 27th day before an election through the Friday before the election.

Early Voting by Mail. A voter may request to be placed on the Permanent Early Voting List (PEVL). To do so a voter may contact the County Recorder for a request form, select "Yes" in the PEVL box on a voter registration form or they may go to www.servicearizona.com. Voters who are on the PEVL automatically receive a ballot by mail for any election they are eligible to vote in. A voter who is on PEVL and is not affiliated with a party will receive a notice 90 days before a Primary Election asking them what party or non-partisan ballot they would like to receive.

A voter not on PEVL may request a ballot be mailed to them beginning 93 days before an election. The last day to request a ballot be mailed is 5:00 p.m. the second Friday before the election (11 days prior). To request an early ballot a voter can call the County Recorder

at (928)373-6034 or by mailing in a written request for a given election providing the Recorder permission to send the specified early ballot. The written request must include:

- Full name
- Date of Birth
- Yuma County Residence Address
- Mailing address, if applicable
- Signature

An early ballot may be dropped off at the County Recorder’s office beginning the 27 days before the election until 7:00 p.m. Election Day. An early ballot may also be dropped off at any vote center on Election Day between 6:00 a.m. and 7:00 p.m.

SPECIAL ELECTION BOARD

If a voter is disabled, ill, or unable to physically get to a vote center, the voter may send a written request to or call the County Recorder’s office to have a Special Election Board come to the voter’s home or place of confinement.

OPEN PRIMARY SYSTEM

Arizona's Open Primary Law allows voters registered as independent, no party preference or members of a party without ballot recognition to vote in the partisan Primary. The voter has a choice of one of the recognized political parties ballots or may select the non-partisan ballot for local issues only. [Arizona Constitution art. VII, § 10]. Only names of candidates of state recognized parties appear on a partisan Primary Election ballot. Voters registered in a recognized political party may vote only the Primary Election ballot for their political party. [ARS § 16-467(B)].

Recognized parties are parties which have achieved Primary ballot status through petition process pursuant to ARS §§ 16-244, 16-801, 16-802, and 16-803 or by qualifying for continued representation on the Primary Election ballot through ballots cast or voter registration, as provided is ARS § 16-804. New political parties' status will be determined by the petition process in October 1, 2019.

ELECTIONEERING

Electioneering occurs when a person knowingly, intentionally, verbally expresses support for or opposition to a candidate who appears on the ballot in that election, a ballot question that appears on the ballot in that election or a political party with one or more candidates who appear on the ballot in that election in order to induce or compel another person to vote in a particular manner or to refrain from voting.

It is a class 2 misdemeanor for any person to attempt to influence a person's votes within 75 feet of a vote center or early voting site. A person shall not be allowed to remain inside the 75 foot limit while the polls are open, except for the purpose of voting, and no electioneering materials may occur within the 75 foot limit.

Except in the case of an emergency, electioneering is permitted outside the 75 foot limit at any facility designated as a vote center or early voting site.

An election official, an appointed political party representative or a challenger shall not wear, carry or display materials that identify or express support for or opposition to a candidate, a political party or organization, a ballot question or any other political issue and shall not electioneer within the 75 foot limit of a polling place. [ARS §§ 16-515, 16-1018].

VOTER ASSISTANCE

Any registered voter may be accompanied and assisted by a person of their own choice in the voting booth or be assisted by two election officials, one from each major political party. A person who is a candidate for an office in that election, other than the office of precinct committeeman, is not eligible to assist any voter. To avoid the appearance of impropriety, undue influence on the voter or a violation of ARS § 16-1013, in no instance shall any person, other than an election official, approach prospective voters in line or in a vote center to offer unsolicited assistance.
